WELCOME PIGEON KEY MARINA 2010 BOATERS

The 2010 boating season has arrived and everyone seems eager to begin another Michigan summer. The Marina officially opened on Friday, May 21st. Let's hope for warm weather. A special thanks from Dave Taylor to Jim Rudicil, Mike McCarthy and Bill Waldo for assisting him in getting the aerators connected and operational. We welcome back some familiar Dockhand faces, Julia, Alison, Greg & Tom along with new faces, Ben, Erinn & Luke. Please let Marina Manager, Julia know any concerns and or suggestions you have. Note: the annual association meeting will be held on Saturday, June 5th at 1:30 p.m. If you have any issues to be placed on the agenda, let Linda Taylor know or email lindastaylor@comcast.net.

Happy Boating!

The access code to the bathrooms is the same as last year. See the Marina Manager or one of the Dockhands to obtain the combination and remember access to the bathrooms are for owners/renters and their guests only. Please do not give the access code to anyone asking for access, unless you know they are Pigeon Key Marina owners/renters.

PIGEON KEY MARINA

Marina Security

Please remember to secure all valuables and take precautions to secure your boat. New signs have been added on each dock to help keep non-owners off the docks.

Boat Safety

Vessel Safety Check (VSC)

The Muskegon Power Squadron, a unit of the United States Power Squadron Sail and Power Boating, conducted a free vessel safety inspections on May 22nd**.** They arrived earlier than last year so if you missed the inspection and are interested in having this free safety check, please sign up in the office.

PKM Standards of Conduct and Safety Rules

are attached for your review.

Marina Updates

Solar lights were added along the concrete walk-way to help illuminate the edge as an added safety feature in the Marina.

The floating docks along the wall were secured with longer pipes to help level them out and to keep them from floating away.

The water connections at the shore power stations were checked and leaking faucets repaired.

The mouth of the Harbour Towne Marina channel was dredged.

A new umbrella/stand was added to the picnic table.

Work Order for Repairs

If you see something in need of repair (i.e. leaking faucet, loose deck board, light bulb out), please obtain and complete a work order form in the office.
